Scholarship For Achievement

Shrewsbury High School 2002-Present

There are students who have overcome many obstacles in their lives, yet few receive recognition for their accomplishments.

The Shrewsbury High School Alumni Association's Scholarship For Achievement was created to recognize a high school senior who is eligible for graduation, will be furthering their education at a two or four year college and/or vocational school and has shown a dramatic change in his/her attitude and performance some time during their high school experience.

These students serve as a powerful example to all students that hard work and perseverance have their rewards.
